We are going to her house. Come with us.

Let's go, let's go.

I overheard a couple's fight last night. Their conversation was so funny.

Um... I have go to meet Mr. Rangma so that he can cross the river...

Are you going to ever hang out with us ?

Skip a day. So what, he is not a kid.

You know what? We are going and going to trib behind your back.

Forget it. Let's go. We are not going to invite you anymore.

We are leaving.

Wait for me. I am coming.

It's just a day ... It should be alright...

What are you waiting for ?! Let's go !

Sun is going down at this rate !

We can't afford to be late !

Ooooooooo

Dawa ? She isn't coming today, I guess? Does she have to be here ?

I saw Dawa going out with her friends, so she's not coming. Let's just go, Mr. Rangma.

For how long are you going to make us wait here ? It's time, so let's go !

Ah, adults are going to Oman.

I wanna go Oman to play.

Me, too. Me, too.

Take us.

No ! Stay away !

From now on ...

Kids won't be allowed to play with Mr. Rangma.

Shhh? Why not ?

Ouu?

Why not?! He's our friend!

It's beca-

Just go play somewhere else! We are busy here!

Anyway..., Som ! Give me a hand here ! We gotta pack things up and leave !

Yes, sure ...

... You seem a bit off today.

I think I forgot something, so I will go back some other time, like tomorrow or so.

So, go ahead.

Hey, what are you thinking ?!

Whoops!

W... what do you mean by that ? Let go now.

You are not going to side with them or anything, are you?

O, of course not... I did forget something...

I know you've been off the whole day, thinking about something.

Quit whatever you are thinking and come with me.

Remember. You are from Oman and you are one of us.

It is us who you will live with, not the people from bɑ.

Say ... Why won't we place something like this between Oman and bɑ ?

We drew this while we were outside at the ruins. We could place this to connect the two villages.

Drew it.

It is a huge project, but, if Mr. Rangma helps us,

It shouldn't take too long.

With this, it will be much easier to trade.

Hmm, yes, this is a good idea.

This plan benefits both of us.

... And

With this ...

We will no longer have to rely on Mr. Rangma...

True...

A moment please ...

The giant was the last obstacle before we'd attack bɑ.

With this thing, we won't even need the giant to launch the attack.

Things are going our way unexpectedly.

Yeah.

Yes, let us do this.

We are willing to provide as much assistance as possible.

No.

That sounds like a lot of work.

I can't ask him to do that.

Yes, but this structure is for the future and it will help Mr. Rangma as well.

He will finally be able to rest.

Still ...

It looks like a lot of work.

He won't do this alone if that is your concern. We will assist him.

This is good for everyone.

You don't want to cross the river everyday, do you? I am sure you have friends to hang out.

With this, Mr. Rangma won't need to carry people over the river. You will be free. Good for everyone.

...

Som, what do you think ?

Uh ? Me ?

Starlin

...

I ... have no idea.

Hmm ...

What's up with his expression?

Ok, I guess. I am sure you thought this through and came to a conclusion that it is a good idea.

I will talk to him, but he may refuse in which case there is nothing more I can do.

Aw, but we understand.

Besides, if you can't convince him, no one can.

Are you really, really, sure ? This looks like a lot of work.

You don't have to do this, you know.

Nod

You really...

Do anything for me ...

And I act like a spoiled brat...

You can say no sometimes...

미익-

Ok, I will tell them !

I have friends waiting for me now, so I will see you later !
